

Father's, Be a Man!
Father's Day – June 20th, 2010
Grace Bible Chapel
Selected Scripture

We live in extremely dark and challenging times. Yet, there is an area of tremendous opportunity for every parent, and especially for fathers, as heads of the home, to show themselves faithful to God, and bring blessings that cannot be measured. That opportunity is simply to be a Father according to the instruction found in God's Word. Even in these tough times? Yes, especially in these tough times! 1 Samuel 2:30 says "those who honor Me, I will honor, and those who despise Me, will be lightly esteemed." Our study today is designed as a reminder of what is really important for dads. It goes beyond dads though, for there are those here who will become dads, and the rest of us need to pray for all the dads that God would grant them the courage, and strength to live as He has taught and commanded in His Word. We need to live in the spirit of Joshua (Joshua 24:15).
