11. Communication of Messiah (9:24-27)

- Where is the church in this overview?

- How do we know certain things like a rebuilding of the Temple must occur before Messiah returns?

- What is the single most important New Testament Scripture on its rebuilding and timing?

Careful study of these verses:

- Vs. 24 – What is used here in similarity to Daniel's prayer and understanding?

- Why does God use the time term of seventy weeks?

- Considerations in support of this clear analogy:

- For whom was this decree intended?

- What are the six reasons or purposes mentioned which are the focus of God in relation to a chronological forecast of what He is accomplishing on behalf of Israel?

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

- Vs. 25a – What does he mean by “know and discern” and does that have an application for us?

- Vs. 25b – When and what is the “issuing of a decree...until Messiah the Prince?”

- There are 4 different decrees related to the Temple:

- What does he mean “built again with plaza and moat, even in times of distress?”
