Quick context review:

- Now the next thing on this timeline is what?
-
-

- Where are we on God's Israel chart of Daniel's 70 weeks or 490 years?
 - Who destroys the city, Titus or Antichrist?
-
-

- What does he mean in referring to it as a flood?

- What does it mean “even to the end there will be war; desolations are determined?”

- What are a few things to consider of the context as we look at verse 27?

- What must happen before the 70th week begins?

- Six reasons for a Pre-tribulation Rapture.

- Who is the “he” of verse 27?

- What is the starting point or what appears at the beginning of the last 7 years of the prophesied 490 years?

- What else will be revealed when this treaty is signed?

- Who are the “many” of verse 27?

- What is meant by in the middle of the week?

- What does Gabriel say the “he” (antichrist) will do?

- What does “sacrifice and offering” imply has occurred in Jerusalem?

- What else does the antichrist do at the midpoint of the last 7 years?

- What does it mean “on the wing of abominations”

- What does it mean “until a complete destruction?”

- What does the final portion of verse 27 “is poured out on the one who makes desolate” tell us?
